Remarks

Con la firma del presente Interchange l'autista sopra identificato dichiara di aver visionato il carico e:

A) di averlo trovato perfettamente stabile e di averlo fissato correttamente al pianale mediante il serraggio dei rispettivi twist-lock dichiarando di esonerare il caricatore / terminal da ogni responsabilità diretta e indiretta connessa alla caricazione della merce.

B) il personale del Terminal Bettolo ha messo a disposizione tutti i mezzi necessari e che il container non presenta altri danni rispetto a quelli indicati alla voce Damages del presente documento.

By signing the Interchange the above stated driver confirms that the cargo has been examined and therefore:

A) Cargo / container are properly balanced and secured on the truck through a proper clamp of their respective Twist-locks, thus confirming that the terminal is exempted from any liability regarding any issue whatsoever arising during the transport.

B) the Bettolo staff has made available all the necessary means and the cargo/container didn't sustain other damages than those specified in the aforementioned Damage entry.
